Case No. 3:15-cr-00037-2

Honorable Judge Alefa A. Trauger,

My Name is Benjamin Bradley and I pray this letter find you in good health and good spirits. After exhausting all my remedies I decided to respectfully contact the court to check on my status with the Marshal's Transit system. Currently I'm still being housed at Grayson County Detention Center since the completion of our Evidentiary Hearing on May 24, 2019 regarding forfeiture issues. By being here I have not seen the government's initial or final briefs that you requested to be submitted in a few weeks. Also I have not seen my response brief either. That was really my main concern about being in the dark about the final proceedings. Thank you so much

God Bless,

Benjamin Bradley
